June 6th, 2020 • 7:30 p.m.
Lucille Chung, piano
Wes Luke, soloist

In June 1919, Wisconsin became the first state to ratify the 19th Amendment to the Constitution, giving women the right to vote.

We celebrate this occasion in international style, with the works of three great women composers through the ages—not to mention our equally world-class soloist, the brilliant American pianist Lucille Chung. And the evening will culminate in one of the great symphonic showpieces of the 19th century, Rimsky-Korsakov’s Scheherazade—with its amazing soundscape of a courageous, creative woman, triumphing against all odds.
